

## **BILATERAL MEETINGS: GUIDELINES**

- **About Bilateral Meetings:**

The G8 Young Bilateral Meetings are one-on-one meetings lasting approximately 20 minutes each.

They will be held in one of the main rooms of the Hotel Regina Palace in Stresa (picturesquely situated on the shores of Lake Maggiore). The purpose of these meetings is to discuss Innovation with members of other countries.

You also have the opportunity to meet delegates representing M&A International the Leading Crossborder M&A Advisors.

The official agenda of the Bilateral Meetings will be dispatched to all delegates shortly before their arrival in Stresa, but as you will see on the schedule below, the G8 Young Bilateral Meetings will take place in the afternoon of Thursday July 2 (time: approximately 14.30, TBC), while Presidents and Sherpas attend the G8 Young Summit.

- **Topics of the Bilateral Meetings:**

The 4 Pillars of the Innovation of the G8 Young, present on the tables of discussion of the Bilateral Meetings are:

1. **SKILL INNOVATION:**

The world of business needs fearless action to enhance the economy: Skill-Innovation is the answer.

Skill-Innovation is the managerial ability of putting aside old working models and attitudes within companies, gathering people with different or common skills, listening to their ideas, and turning them into guidelines and methods to realize concrete innovative projects. If you feel you are a skill-innovator person, and you would like to meet other people such as yourself, please chose this Pillar and select a country whose delegate you would like to meet.

2. **GREEN INNOVATION:**

The green economy and the green evolution are not to be seen as obstacles to development but as new opportunities.

If you chose this Bilateral Meeting you will meet other young leaders who either have successful companies dealing with green issues or who are interested in seeking new partnerships in the fast-developing green economy.

3. **TECH INNOVATION:**

Is your company technologically advanced? Are you interested in discovering how to expand your technology abroad? Do you need to know the level of Innovation in several other countries? Do you have patents? If these are some of the questions that interest you, find the answers by attending this Bilateral Meeting.

4. **SOCIAL INNOVATION:**

Companies and business leaders are part of a greater community and of society as a whole.

This Pillar offers the opportunity to share experiences of corporate social responsibility and initiatives of social entrepreneurship.

5. MEET M&A INTERNATIONAL INC., the leading Crossborder M&A alliance with 600 professionals in 39 countries. The drivers of innovation you are looking for might be part of the know-how of another company, in another Country. International leaders of innovation in other companies are available to make deals with you, are available to share their experiences and their know-how – you just need to find them and that's what M&A International does for you. Merging or acquiring other companies can build your success. Choosing to meet with M&A International Inc., you will network with senior professionals who have business contacts with thousands of entrepreneurs worldwide. Exchange ideas, make key connections, discover new M&A trends, gain a greater understanding of today's situation regarding M&A around the globe.
